

SHS 25 cable holder with screw 30560

Areas of application:

For the multiple carrying of up to 25 sheathed cables with Ø 10 mm. The SHS is designed for materials in which the plug-in technology doesn't work. By using a screw it can be easily fastened on metal or wood.

Installation Guide:

- Fasten the SHS by using a screw,
- Insert cable/s into the SHS,
- Close the locking tab of the SHS.
- If required a EC clamp can be attached directly to the SHS.

Product details:

Colour:	light grey
Content pack/box	150 / -
Cable capacity	max. 25 NYM 3 x 1,5 mm ²

Product benefits/properties:

Even when installed, the SHS can be easily opened and closed again. This allows cables to be easily added and removed. In tight areas, the SHS can be rotated up to 90° and installed with a screw. There is the option to fit the Schnabl EC Euro clip on to the SHS.

Technical data:

Material	PP, UV stabilised Temperature range: -10 °C up to +85 °C silicon-free halogen-free
----------	--

Weight per piece 16,00 g

GTIN (EAN) 
9 008439 305605

By using a screw the SHS can be easily fastened on metal or wood. The SHS forms a closed ring around the sheathed cables and can be re-opened using a handle.
